

ONSKINERY

THE EXPERTS IN BODY & LEGWEAR

FURNITURE CATALOG 2022

Dear partners,

we are not only the perfect stage for brands, but also your contact when it comes to the optimal presentation of your products. Our new modular POS furniture is now even more flexible and can be used across brands. Create your own stage set on your sales area with the various elements of our practical modular system. From individual elements to complete shop fitting systems, we offer flexible options that can be adapted to any existing shop concept. And this is completely independent of the size of your sales area. ONSKINERY branded, our high-quality POS elements skillfully present products from all our brands.

Do you have any questions regarding our sales display concepts? We would be happy to work with you to plan a POS concept that is perfectly tailored to your space, including matching products from our extensive portfolio.

Feel free to contact us at any time at service@onskinery.com.

We look forward to bringing our stage of brands to your area as well!
